RES. NO. 189-18

Amend Chautauqua County Purchasing Policy

By Administrative Services and Audit & Control Committees:

At the Request of County Executive George M. Borrello:

WHEREAS, pursuant to Section 104-b of New York State General Municipal Law (GML), the County Legislature adopted a purchasing policy in Resolution 182-92, as amended by Resolutions 268-93, 171-94, 124-09, 142-13, 68-14, and 161-15 and 230-16; and

WHEREAS, there have been changes to the list of individuals who have County purchasing authority, making it appropriate to update the names listed in this Purchasing Policy resolution; and

WHEREAS, the Chautauqua County community is engaged in a County-wide effort to promote economic development in, and national awareness of, Chautauqua County and its products, services and amenities, and Chautauqua County government, by using local vendors, can support such vendors' ability to maintain, enhance, and publicize their products and services, and the resultant increase in local sales tax revenue can be used in furtherance of this community effort; and

WHEREAS the County desires to clarify and otherwise update purchasing requirements, now, therefore, be it

RESOLVED, That the County Purchasing policy established by Resolution 182-92, as amended by Resolutions 268-93, 171-94, 124-09, 142-13, and 68-14, 161-15, and 230-16 is hereby amended to read as follows:

1. Purchasing Procedures.

a. State Requirements. Every purchase of goods and/or services shall be reviewed by the officer or employee that initially approves the requisition to ensure compliance with State competitive bidding / offering requirements and preferred source requirements, under the general supervision of the Purchasing Manager. Any procurement that is not subject to competitive bidding shall be accompanied by documentation of the basis for the determination that competitive bidding is not required by law. The Purchasing Manager should be consulted when an acquisition is believed to be a professional service and therefore not subject to State competitive bidding requirements. Contracts involving the receipt by County of revenues are not required to be bid; however quotes or proposals should be solicited.

b. Alternative Proposals and Quotes. Except as otherwise provided by New York State law, alternative proposals or quotations for goods and services shall be:

CHAUTAUQUA COUNTY LEGISLATURE

8/22/18

- i. secured by use of written requests for proposals (RFPs) and written, faxed, or e-mailed quotations from at least three vendors for procurements of services expected to exceed \$20,000 in value;
- ii. secured by written, faxed, or e-mailed quotations from at least three vendors for procurements of goods and services expected to be between \$5,000 and \$20,000; and
- iii. within the discretion of the Department Head, subject to the advice of the Purchasing Manager, for procurements of goods and services under \$5,000.

With respect to the procurements of goods and services between \$5,000 and \$35,000 (other than professional services) that are not subject to State competitive bidding requirements, the County shall purchase from a responsible and responsive local vendor when: (i) the price quoted by the local vendor does not exceed the lowest price quoted by a non-local vendor by more than ten percent (10%); and (ii) the local vendor is willing to match the lowest, non-local vendor's quoted price. For purposes of this purchasing policy, a "local vendor" shall be deemed to mean (i) in the case of a business entity vendor, a business entity which has a physical location in Chautauqua County and employs at least one full-time employee in Chautauqua County; and (ii) in the case of an individual vendor, an individual whose legal residence is Chautauqua County.

Purchases must also be compliant with any funding source requirements. See, for example, the requirements of Title 2: Grants and Agreements, of the Code of Federal Regulations (CFR), Part 200—Uniform Administrative Requirements, Cost Principles, and Audit requirements for Federal Awards ("Uniform Guidance") §§200.318-200.326 (purchases of items of \$3,000 to \$150,000 be made only after 3 quotes have been obtained).

Adequate documentation of actions taken in connection with each such method of procurement shall accompany the purchase order or the Agreement or Agreement of Services request submitted to the Purchasing Manager, and the credit card purchase information submitted to the Department of Finance. Such documentation must include a statement of the reason that three quotes were not able to be secured, when applicable.

c. Exceptions. In the event that the procurement is from: a State contract bid; General Services Administration schedule seventy, information technology; General Services Administration's "1122 Program Equipment and Supplies Catalog" and consolidated schedule contracts; involves surplus or second hand supplies, materials or equipment to be acquired from other governmental units; reflects unique or specialized goods or services that are needed by the County; is part of a program to standardize goods or equipment; arises from a bona fide emergency, accident or other unforeseen occurrence or condition that requires prompt action; involves a sole source situation; relates to the purchase of perishable food; is from a State-designated Preferred Source; or involves other situations where the above procedures for the

CHAUTAUQUA COUNTY LEGISLATURE

8/22/18

solicitation of alternative proposals or quotations are not practical or will not be in the best interest of the County, a written explanation of why adherence to the procedures set forth in this Policy would not be practical or would not be in the best interest of the County shall accompany the Purchase Order, Agreement or Agreement of Services request submitted to the Purchasing Manager, or the Procurement Card statement submitted to the Department of Finance, which determination shall be subject to review by the Purchasing Manager, Department of Finance, and/or the Law Department.

d. Lowest Responsible Offer. In the event a contract is awarded to other than the lowest responsible dollar offeror, the Purchase Order or Agreement / Agreement of Services request shall be accompanied by written documentation and justification specifying why such award is in the best interest of the County. When a contract is awarded utilizing “best value” procedures pursuant to Section 103 of New York State General Municipal Law, the award shall be based to the extent possible on objective and quantifiable analysis, and best value RFPs shall include a description of the manner in which the evaluation of the offers and award of the contract will be conducted, and as appropriate, identify the relative importance of price and non-price factors.

e. Miscellaneous Provisions.

- i. Whenever practical, economical, and permitted by State law, the County shall acquire goods and services from local vendors ~~Chautauqua County businesses~~ and select goods and services which provide the least possible negative impact on the environment, including products made from recycled materials. In the event of a tie bid between a local vendor and a non-local vendor, the County may award the contract to the local vendor.
- ii. The requirements of this Purchasing Policy apply to procurements in which the County expends funds or receives revenues.
- iii. Notwithstanding anything to the contrary in this Purchasing Policy, all County procurements shall be made in conformance with Federal and State requirements, including but not limited to applicable laws and Federal and State grant/funding requirements.
- iv. Department heads shall require their employees with purchasing authority to attend training sessions provided by the County Purchasing Manager and ensure that new employees receive training prior to purchasing on behalf of that department.

CHAUTAUQUA COUNTY LEGISLATURE

8/22/18

- v. An individual or entity that reviews a County Invitation to Bid or Request for Proposals in draft or final form prior to its issue may not (i) submit a response to the solicitation or (ii) serve as an employee, contractor or subcontractor of the individual or entity awarded the contract, for the first five (5) years of the contract period.
- vi. From the time of issuance of a County Invitation to Bid or Request for Proposals until final determination of the successful vendor, all prospective vendor questions and communications must be referred to the Purchasing Manager or his/her designee.

2. Credit Card Usage.

Procurement Credit Cards issued by the Finance Department to County departments and departmental staff, hereinafter referred to as credit cards, obtained through the Finance Department, can be used to make payments for purchases of goods not exceeding \$1,000 in value when pre-approved by the Department Head and consistent with the direction provided by the Purchasing Manager. Upon request by the Department Head to the Director of Finance, credit cards will be issued to individual employees, hereinafter referred to as Cardholders. Such cards are not re-assignable for use by other employees.

Credit card limits shall be established by the Finance Department's credit card administrator. The credit cards have a monthly limit of \$5,000, unless the Department Head requests that a Cardholder's monthly credit limit be increased to accommodate the department's purchasing requirements. There is a non-adjustable \$1,000 limit per transaction. Under no circumstances will a Cardholder authorize a transaction exceeding this \$1,000 limit without the advance written approval of the Purchasing Manager.

Procurements paid for with credit cards remain subject to all requirements of this Policy. The Cardholder to whom the credit card is assigned shall reimburse the County for costs incurred with respect to any illegal or unauthorized expenditure or improper usage of the credit card, to the extent such costs were within the Cardholder's control. The credit card is expressly not authorized to be used to pay for the procurement of services unless specifically authorized in writing by the Purchasing Manager.

Cardholders must obtain packing slips for all purchases paid for by credit card, reconcile the slips with the Cardholder's monthly credit statement, and attest by signature on the credit card statement that all goods recorded have been received in good condition and are for the use of conducting County business. Department Heads must sign the monthly credit statements of their cardholders as an indication that all purchases were authorized by the Department Head.

Credit shall be immediately requested from the vendor for any unauthorized purchases or billing errors. In the event the vendor does not cooperate in issuing a credit when due, the

CHAUTAUQUA COUNTY LEGISLATURE

8/22/18

Cardholder should contact the Department of Finance and request that a Dispute Form be submitted to the financing agency. The County is not responsible for any unauthorized purchases or purchases made for personal use.

Cardholders must perform an initial audit and reconciliation of their monthly statements and must promptly submit their statements, along with the appropriate G/L Account number to be charged, so that the bill can be paid prior to the time of imposition of late fees or penalties, and prior to the monthly closing of the County's financial statements.

The Purchasing Manager will review the periodic audit reports submitted by the auditors and take appropriate action to enforce the credit card policy. Each Cardholder must have on file with the County Executive's Office a current Financial Disclosure Form, and must ~~attend or view the Purchasing Manager's annual purchasing training~~ complete the Purchasing Training Manual available on the Chautauqua County intranet.

3. Violations.

Employees are subject to disciplinary action and/or referral to the Chautauqua County Ethics Board, for violation of this Policy. County employees aware of a violation of this Policy shall report such violation to their County supervisor and/or to the County's Purchasing Manager.

4. Individuals with Purchasing Authority.

By Public Facilities, Administrative Services and Audit & Control Committees:

RESOLVED, That pursuant to New York State County Law §215 and Chautauqua County Local Law 7-75, the Chautauqua County Legislature hereby finds that due to a lack of viable use for the Remainder, and the burden of maintaining the property, it is not in the best
