**FRANCIS G. "MAC" MCCOY  
OFFICE FOR THE AGING MEMORIAL FUND**

"Mac" McCoy was the director of the Chautauqua County Office for the Aging 1988 to 1998. In his memory, the OFA has established the Francis G. "Mac" McCoy Office of the Aging Memorial Fund at the Chautauqua Region Community Foundation. This endowment fund is to be used annually to enhance and expand services for older adults in our county. The Office for the Aging Advisory Council and community representatives will meet annually to decide on use of the funds.

Through this fund, Mac's legacy of helping the seniors of our County will live on. It will provide assistance for programs and services that promote independence and quality of life for our aging population for generations to come.

Donations in Mac's memory or that of a loved one, can be made to the Chautauqua Region Community Foundation c/o Mac McCoy Fund on line at [www.crcfonline.org](http://www.crcfonline.org) and go to "Be a Star."
